Swimmers will receive 1 hour of swim time on Monday and Wednesday for all groups. Group 3 will receive 1 hour 15 minutes on Friday and Group 2 will receive 1 hour 15 minutes on Sunday.

*Our pool time allocated by enjoy leisure has been reduced and with the implementation of social distancing measurements coupled with a maximum swimmer load of 36 per session this has meant that during this temporary phase of return our pool schedule, and therefore swimming time for each swimmer, has had to reduce in order to cater for all of our members. We hope this will be for the short term and we hope to return to a full schedule as soon as possible*
